NOTES

Center storage console features two cup holders and space to house remotes, magazines and other items

Power controls on both arms independently adjust the headrests, recline and lumbar for a personalized sit

Home button returns the headrest and footrest to their original positions with one touch

USB charging port built into power control keeps devices powered up and ready to use

Pull-tufted, triple-divide back cushions support your back and have distinctive look

Rounded pad-over track arms enhance comfort and provide additional forearm support

Contoured seats with chaise pads for a comfortable, tailored look

Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline

Available in durable, cleanable performance fabrics that will withstand everyday use by an active family

Available in over 250 fabrics to suit any décor

Removable backs allow for easy lifting and maneuvering through doorways

Power controls on both arms effortlessly adjust the recline, keeping you comfortable

Power controls on both arms independently adjust the headrest and recline for a personalized sit

Handle-activated recline system on the side of both arms allows you to manually adjust between sitting and reclining

Footrest easily lowers when you apply pressure in a downward motion

The power control allows you to independently adjust the recline, headrest, and lumbar support.

A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.

Power allows you to smoothly recline to any position.

A single USB port is included on each power button control on styles with arms.

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.
