Technology

- The natural Tencel® in our premium cover is more absorbent than cotton, softer than silk and cooler than linen, improving moisture wicking and natural hygiene.
- Our EvoWC⁵ (Evo Wrapped Coil) is a 5-zoned wrapped coil system with over 1130 (queen) coil sensors. This evolutionary support system responds to each movement providing the ultimate in comfort and support.
- Specifically designed to articulate on adjustable beds to customize your sleep experience.
- High density foams use our Comfort-lock® process and provide longer lasting support and comfort than our standard foams.
