## 30" 5 Burner Gas Cooktop

Series 7 | Contemporary

Fisher & Paykel Gas on Steel Cooktops come in three different sizes and offer power levels for everything from a slow simmer for sauces, to an intense heat for steaks and stir-fries. Combining the attractiveness of sleek stainless steel with the durability of cast iron trivets, these cooktops support the most avid chef.

Stainless Steel

### Dimensions

|        |           |
|--------|-----------|
| Depth  | 20 7/8"   |
| Height | 2 5/16"   |
| Width  | 29 17/32" |

### Features & Benefits

#### Precise control

Simply turn the dials to ignite the flame quickly and safety. Innovalve™ technology allows you to adjust the flame with 180° gas valve rotation for super accurate temperature control.

#### Easy handling

With flat cast iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

#### Safe and sound

The Auto-reignite system means you don't have to hold down a dial while burners ignite - if a burner goes out it is automatically relit at the original flame setting.

#### Designed to match

The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

#### Easy cleaning

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

#### Handy accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

### Specifications

#### Accessories

|                  |   |
|------------------|---|
| Small pot trivet | • |
| Wok stand        | • |
