

# PRO STYLE RANGES FOR THE STAY-AT-HOME GOURMET

Electric Slide-In Range with 5 Elements and True Convection

MESE30S4AST    Stainless Steel

Powerful cooking features combined with elegant, contemporary design describe Midea's new built-in electric range. Use the app and have an alert sent to your phone when the turkey's done\*. Choose air fry convection mode and enjoy the taste of fried foods without the excess fat. The edge-to-edge design overlaps your countertop for a seamless built-in look. Available as electric or natural gas.

## Flexible Cooktop Options

Double and triple elements let you adjust the diameter of the heat source to perfectly fit your cookware.

## Air Fry Convection Mode

Enjoy the texture and taste of crispy, fried foods like french fries and wings without excess fat and leftover oil.

## Edge-to-Edge Design

Overlapping cooktop gives you the beauty of a built-in while containing spills.

## Wi-Fi Capability\*

Monitor cooking progress on your smartphone using the app. Get alerts when roasting or baking is complete.

## Backlit Knobs with Dial-Tech Oven Control

Quickly and easily control oven functions. Elegant, blue backlighting add a sophisticated touch to your kitchen.

## 6.3 Cu. Ft. Capacity

Enough space for your turkey and all the sides. The large 6.3 Cu. Ft. oven features cobalt blue interior and halogen lighting.
